

“SHOULD WE KEEP ON SINNING?”

January 9, 2022

Romans 6:1-2

Introduction: As we enter a new section, let us review Paul's flow of thought and see where we are headed.

- S_____ (1:1-3:20) - God's _____ in condemning sin.
- S_____ (3:21-5:21) - God's _____ in justifying sinners.
- S_____ (6:1-8:39) - God's _____ in sanctifying believers.

1^a What shall we say then? - Where does the reality of boundless grace lead you? How does it make you feel?

1^b Shall we continue in sin that grace may abound? - Does willfully and wantonly continuing a life of sin line up with the rest of the scripture? Consider the following:

- *John 5*
- *John 8*
- *1 Cor 5:11*
- *1 Peter 1:15-16*
- *1 John 3:6*

2^a Certainly not! -

2^b How shall we who died to sin live any longer in it?

- **What it says?**
- **What it does not mean?** - It does not mean that we are no longer _____ to sin or _____ sin.
- **What it does mean?** - we have died to the _____ of sin.
 - What is the goal of grace as it reigns in your life?
